From railway engineers, football club presidents or bishops, to actors or opera singers, to famous writers or eccentric film directors. Such is the cast of historic inhabitants of the Torreón, Almadraba and Voramar beaches. It can be said that 150 years are enough for many stories of the history around the Villas of Benicàssim, perhaps the most eclectic and fascinating set of holiday villas on the Valencian coast, which we will discover in the hands of a great guide-interpreter.
