Description: We will get to know the Desert de les Palmes from a new point of view: that of its nocturnal inhabitants. At each stop along the route we will encounter a different habitat where many animals live that, due to their nocturnal nature and despite their beauty, go completely unnoticed by most of us. But don't forget: even if you don't see them, they are there.

Recommended audience: themed for families, children from 6 years old. Slight previous hiking experience.

URBAN ESCAPE ROOM BY VIOLANT DE CASALDUCH

Saturday, 10 August (7:00 – 8.30 p.m.)

Place: Constitution square (behind the church)

Duration: 1 hour 30 minutes

Difficulty: 2 km (urban)

Price: €3 (€1.5 reduced).

Description: The streets of the town will serve as a “room” for us, by solving a series of games and thanks to the observation and ingenuity of the participants, discover how to free this feudal lady who was so influential at the time and crucial for the birth of Benicassim. Violant became the baroness of Pobla Tornesa, the Sierra de En Garcerán and Borriol, Benicàssim and the lands of Castell de Montornès, but something made her stay locked up in the town and not be able to leave... What happened? What endangered the approval of the Carta Puebla that saw the birth of our people?

The clues will not be simple and they will have to get the keys to open the locks that will allow them to follow the common thread until they escape.

Recommendations: For all audiences. Comfortable shoes and clothing, water.

It will be there, in one of the highest points of this fabulous coastal mountain range, where we will meet the astronomer who, armed with a laser and telescope, will introduce us, young and old, to the secrets of the cosmos.
