ROUTE OF THE VILLAS

At the end of the nineteenth century and beginning of the twentieth century, a bourgeois group of Castellón and Valencian families chose Benicàssim as a tourist center, to build what is known as the "Valencian Biarritz", a group of large villas. Architectural diversity and richness that will make you travel back in time.

BENICÀSSIM GUIDED TOURS OFFICIAL PROGRAMME

FROM POOR FARMERS TO PETTY BOURGEOISIE (DRAMATISED)

Sunday, 12th January 2025

Schedule: 11 am - 12:30 pm

Location: Casa Abadia Tourist Office.

Distance: 1 km.

Difficulty: Low.

Price: €5 (€2.5, reduced).

Recommended audience: all audiences

Description: The territory of Benicassim was not good for agriculture. Or at least that agriculture that allowed local families to live off of it. Olive and carob trees were barely growing among the stony terraces. Not even the erudite Perez Bayer managed to reverse the situation despite his efforts. But, from 1850, everything will change with the arrival of the muscatel grape and the train. Several and different fun characters will make you relive some moments of historical changes, since the Muslim era, with the uncertainty that comes with starting or a new world or life without knowing what they will find, but with the conviction of leaving their descendants a better life.

TICKETS AVAILABLE: at turismo.benicassim.es or at Benicàssim Tourist Office. (bank card payment only).
