Recommended audience: Adults. Children 6 and over.

Description: From railway engineers, football club presidents, and bishops, to actors and opera singers, famous writers, and eccentric film directors. Such is the cast of historical inhabitants of the beaches of Torre de Sant Vicent, l'Almadrava, and Voramar.

150 years is enough to tell many stories about the villas of Benicàssim, perhaps the most eclectic and fascinating collection of holiday chalets on the Valencian coast.

*Wheelchair accessible.

VIOLANT DE CASALDUCH URBAN ESCAPE ROOM

Saturday, August 9, 2025 (7:00 PM – 8:30 PM).

Location: Plaza de la Constitución (behind Santo Tomás Church).

Distance: 2 km (low difficulty).

Recommended audience: All.

Price: €3 (€1.50 reduced).

Description: The streets of the city center will serve as a "room" to discover, through observation and the ingenuity of participants through play, how to free this feudal lord who was so influential in the birth of Benicàssim.

Violant became the Baroness of Pobla Tornesa, the Sierra de En Garcerán, Borriol, Benicàssim, and the lands of Montornés Castle, but something caused her to remain locked in the village and unable to leave... What happened?

What jeopardized the approval of the Charter that gave birth to our town? The clues won't be easy, and you'll need the keys to open the locks, which will be the guiding thread to escape.

Recommendations: Footwear, light sportswear, and water.

It will be there, at one of the highest points of this fabulous coastal mountain range, that we will meet the astronomer who, armed with a laser and telescope, will introduce us, both young and old, to the secrets of the cosmos. We will descend in full starlight, aided by flashlights and headlamps, enjoying the best views of La Plana and thus completing an experience that will literally be unforgettable.
