Distance: 2km

Description: The Valencian land is, since the beginning of the 20th century, a fertile ground for producers and directors from all over the world to establish here not only their filming sets, but even their homes. Join us on this journey to follow in the footsteps of writers, directors and actors who have seen Benicàssim as their favorite setting for their films and have been protagonists of the most rocky stories and even of the intrigues and gossips of the eclectic society of the last century. Berlanga, Bardem, Rafael Gil, Brigitte Bardot, Sara Montiel, Blasco Ibáñez are just some of those who will walk alongside us.

Additionally, on this visit, we will be accompanied by a sign language interpreter to facilitate communication between deaf, hearing impaired, and deaf blind individuals and hearing people. This service must be confirmed 48 hours prior to the visit. It is also accessible for wheelchair.

Recommendations: Water, shoes and comfortable clothes.

A big hug to les Agulles de Santa Àgueda

Description: One of the most mythical reliefs not only of the Plana Alta, but of the entire province of Castellón, is that of the unmistakable Agulles. Because the ascent to their summits is only suitable for very experienced hikers, the best way to start loving them is to give them a big hug to get to know them in their two faces, so different and fabulous, both in terms of their rich biodiversity and the dazzling views towards the whole Valencian plain and the lush and humid Miravet valley.

Recommendations: Shoes, sportswear and plenty of water. Don't attend if you have a serious injury or illness or are recovering from it.

Mindfulness in the Desert. Dive into the interior in the middle of nature.

Recommendations: steal and sport shoes and water in abundance. Do not attend if you have a serious injury or illness or if you are recovering from it.

A crazy party in the Villas of Benicàssim (dramatised)
