Place: Hotel Voramar. P. Pilar Coloma, 1.

Distance: 2 km (low difficulty).

Recommended audience: theme for adults. Children from 6 years old.

Price: €3 (€1.50 reduced).

Description: From railway engineers, presidents of football clubs or bishops, to actors or opera singers, including famous writers or eccentric film directors. Such is the cast of historical inhabitants of the beaches of Torre de Sant Vicent, l'Almadrava and Voramar. And 150 years give rise to many stories around the villas of Benicàssim, perhaps the most eclectic and fascinating set of holiday villas on the Valencian coast, which we will discover with the help of a brilliant guide-interpreter. Accessible with a wheelchair. Recommendations: During the provision of the service, access with animals is not allowed (except guide or assistance dogs).

DON'T FALL ASLEEP, TOWER KEEPER! (Dramatised)

Place: Torre de Sant Vicent. Avda. Ferrandis Salvador, 1.

Distance: around the Tower (low difficulty).

Recommended audience: Family. Children from 5 years old.

Price: €5 (€2.5 reduced).

Description: A large defensive system of towers, walls, castles and garrisons tried to defend the Valencian coasts from the continuous attack of the Barbary pirates. These buildings were very strong, but, sometimes... Those who inhabited them were very weak! The tower keepers in charge of their defense were poorly paid and, often, neglected their work a bit, even falling asleep while the pirates entered the town at night and treacherously. Our tower will find a way to solve his problem: join the pirates!

Recommendations: Children must be accompanied by an adult during the activity.

TICKETS AVAILABLE: at turismo.benicassim.es or at Benicàssim Tourist Office. (bank card payment only).
